幼児～小1／スタートからゴールまで すすもう

ひづけ _____

A square maze with black walls. A blue line traces a path from a green dot at the top-left corner to a red five-pointed star at the bottom-right corner. The path starts by moving right, then down, then right again, navigating through several turns and dead ends before reaching the goal. The Japanese word "ゴール" (Goal) is written in red below the star.
