A square maze with a black border. The interior is filled with black lines representing the walls of the maze. A blue line traces a path from a green dot at the top-left corner to a red star at the bottom-right corner. The path starts at the green dot, moves down, then right, then down again, and continues through various turns and dead ends until it reaches the red star. The path is a single continuous line that navigates the complex layout of the maze.
